

## Grandpa

We loved the times that we talked and hugged  
You always had time for us to sit upon your knee  
We knew that HAPPY is what you wanted for us,  
What more could a Grandpa be?

We loved fixing you up and giving  
You a new hair do now and then,  
or playing games and trying to decide...  
if we should finally let YOU win.

We are so thankful we had you for our Grandpa  
Who cared for us continually so,  
And for all the love that you gave us  
And the love you let us show.

If it had not been for the hugs  
You gave us before you went away  
We wouldn't be the special girls  
That you helped us become today.

God certainly knew  
just what he needed to do  
And that is why he had given us  
a special Grandpa like you.

*Love, Lexi, Shelbi and Mikki*

## Crop From The Heart

Our Father, Grandfather & Great Grandfather  
planted a field  
A field planted with a crop from his heart;  
In it he planted all the good things,  
That gave our lives their start.

He turned us to the sunshine,  
And encouraged us to dream:  
Fostering and nurturing the seeds  
by building up our self-esteem.

And when the winds and rain came,  
He protected us just enough;  
But not too much because he knew  
We could stand up strong and tough.

His constant good example,  
Always taught us right from wrong;  
Markers for our pathway that will last  
a lifetime long.

We are our Father, Grandfather, & Great  
Grandfathers field,  
We are all a part of his legacy.  
Thank you Dad, Grandpa, Great Grandpa,  
we love you.  
Until together again, we all will be.

## Miss Me But Let Me Go

When I come to the end of the day, And the sun has set for me.  
I need no rites in a gloom-filled room. Why cry for a soul set free?  
Miss me a little, but not too long, and not with your head bowed low.  
Remember the love we once shared- Miss me, but let me go.

For this is a journey we all must take and each must go alone.  
It's all part of the Maker's plan, A step on the road to home.  
When you are lonely and sick at heart, go to the friends we all know  
And bury your sorrow in doing good deeds- Miss me, but let me go.

Following the funeral service, all friends are invited to gather in  
the fellowship hall for a time of fellowship and lunch.  
Please share your memories of Clyde with us and one another.  
We will depart for the cemetery at approximately 1:00 p.m.  
Our family would like to thank all of you for being with us today.
