## Remembering the life of Philip...

Philip Feland was born June 20, 1913 on the family farm near Antler to Gabriel G. and Minnie Marie (Tennyson) Feland. He attended the Sherman School and helped on the family farm. In addition to farming, they raised silver fox, cattle and sheep.

Philip married Marie Ethel Hizer October 22, 1936, on the Hizer homestead near Stanley. They farmed in the Antler area for many years, retiring in 1966. They moved to Mohall and he worked as a truck driver for the ND Highway Department for ten years, and later

for Ward Williston Company. They retired and moved back to the farm, and in 2006, they moved to Bottineau. Marie died May 7, 2006.

Philip was a life member of the Bethel Lutheran Brethren Church, rural Antler, where he served on the church cemetery board. He was also a member of the Sons of Norway, a board member of the Federal Land Bank and a fifty-year member of the Minot Elks. Philip also enjoyed working with horses. He took pride in the fact that he could break horses that others couldn't.
